Dr. Chatpar and Associates, LLC

PDSA Title \*

Patient Empowerment

Month \*

December

PLAN

What is the objective for this cycle? \*

To have every patient complete a RAPID 3

What do you predict will happen? \*

Patients will complain / not fully engaged , not accurate or thorough

What is the plan for the cycle? What are the steps to execute the cycle, including data collection (who, what, where, when)? \*

Empower patients, and improve own personal knowledge of their disease - receptionist gives RAPID 3 upon arrival

DO

What did you observe? Include descriptions of successful encounters, problems, and other special circumstances that may or may not have been part of the plan. \*

Pt's weren't fully engaged

STUDY

Summarize and analyze the observed results. What did you learn from this cycle? \*

Take time to help patient understand reason for RAPID 3 and how they benefit.  
Patient may be apprehensive to give honest answers.

Do the results agree with the predictions you listed in the “Plan” phase? \*

Yes

No

Other: .....

## ACT

What action are you going to take as a result of this cycle? \*

Adapt the test ▼

Plan for the next cycle. What changes are needed? If expanding or adapting, what will you do to continue your learning while beginning to spread the successes? \*

Encourage patient to become more invested in their treatment/ involve patients in understanding their disease better , giving them resources from the arthritis foundation, encourage self improvement exercises through affiliated physical therapists to reach the end goal
